I am to request that, in future, applications of this nature may be forwarded with less delay so that opportunity may be afforded of ascertaining the orders of the Government before the termination of a sanctioned period of service. to the Dewan of Mysore.

Sir,

I have the honor to observe that letter No. 1-X 25 5/8 G/457 dated 28th March 1885, from the Resident to the Dewan conveys the sanction of the Government of India to the appointment of Surgeon Major J. J. McGann, as Head of the Local Medical Department, and of Surgeon C. H. Benson, as Civil Surgeon Mysore without specifying the periods for which their services have been lent.

2-X By para 4 of Letter No. 605 dated 5th September 1882 of the Foreign Department, the retention of the services of Surgeon Major McGann up to 31st March 1886 was sanctioned, as noticed in the 3 + — Dewan's Proceedings 885-7/4 dated 5th May 1884. I would therefore suggest for the consideration of the Dewan whether any fresh orders are required regarding the retention of Surgeon Major McGann's services after 31st March 1886. If such orders are necessary, I would beg that steps may be taken to obtain them early as otherwise the Accountant General Madras might object to receive the contribution on

account

account of Dr. In Gann's pension and leave allowances.

I would also add that there is the same difficulty in the case of Dr. Benson as no period has been mentioned for his service in Mysore.

I have the honor to be,

Sir,

Your most Obedient Servant,

A. Sangunni
